2026 Vacation Bible
School Success

VBS this year, "Illumination Station" was a fun and successful week! All had a great time learning about Jesus, enjoying tons of fun activities and eating delicious foods during the week.

We also were able to collect enough canned foods to supply 5 boxes of food for the Charlotte County Food Bank and received a collection as a result of an auction and daily contributions totaling \$562.65.

The monetary contributions were given to a local agency, Virginia Cooperative Extension office in Charlotte county that provide many local programs in agriculture and natural resources that support our local community.

Thanks to everyone for your time and support to make this year successful!

To Be With Him is Heaven

*"We are confident, I say, and willing rather to be absent from the body,
and to be present with the Lord."*

2 Corinthians 5:8

A man lay seriously ill in the small-town hospital. When his doctor who, like the man, was a Christian, made a special trip to the hospital to check on him, the patient said, "Doctor, I'm afraid to die. Exactly what happens in the hour of death?" The physician replied, "I'm afraid I can't give you an exact answer!"

After the doctor completed his examination and was ready to leave, he heard scratching and whining at the door. He realized that he had left his car window open too far, and his little dog had jumped out and found him. With the patient's permission, he let the dog in, and it leaped into the doctor's arms with eager gladness.

In a flash the doctor thought of a scriptural truth. Turning to the sick man, he said, "Did you see how my dog acted? He's never been in this room before. He had no idea what was inside; yet when I opened the door, he sprang in without fear, for he knew I was here! That's how heaven will be for us."

As Christians, we don't know much about what awaits us on the other side. But we know this: Jesus is there, and that is enough!

To be "absent from the body" is to be "at home or present with the Lord."

This truth should give every believer comfort in the hour of death.

Charlotte County Christmas Parents

Christmas will be here before you know it. Charlotte County Christmas Parents are asking for your help in their efforts to be a blessing this Christmas by giving to underprivileged children in the county.

The goal is to give each child two gifts valued at \$25 or slightly more, 2 gifts under \$20, a sweatshirt, a stocking of candy & small toys, books and a blanket.

Last year, we held a drawing for bikes and other larger items that were donated by civic organizations. If your business would like to donate in this way, please let Desiree Lee, President know. You may contact her at 434-547-0451.

If you would like to donate to help with this year's efforts any amount can be mailed to: Charlotte County Christmas Parents, P. O. Box 168, Drakes Branch, VA 23937. Thank you.

A Few Laughs

When my young grandson, Billy, and I entered our vacation cabin, we kept the lights off until we were inside to keep from attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, "It's no use, Grandpa. The mosquitoes are coming after us with flashlights."

Embarrassing Moments for Pastors

Lavalier Mic Mishap

"My most embarrassing funny preaching story was back in the early 80's and my 1st experience with a 'lavalier' mic! The choir sung and I got up to preach, but I was still getting over the stomach flu!

I felt some moving so I called the choir back to sing and ran out as they sang, 'Let the Lord have His Way.' I barely made it out of the auditorium. Suddenly, my wife runs into the men's restroom and said, 'Your mic is still on!'

Needless to say when I came back to the pulpit, we just dismissed!"

Thin Glass

"Many years ago, when I just started pastoring, I felt led to preach on brokenness. Because the church was smaller, the baptistry was separated from the platform only by a waist-high partition.

I decided to bring a drinking glass to the pulpit and, at the appropriate moment, turn and slam it into the baptistry, whereupon it would shatter, making my point with a great shattering sound.

I went to the local dollar store and bought the thinnest, cheapest drinking glass that I could find to ensure that there would be no problems with shattering it. As I wound my way through the message, I came to the appropriate moment. I turned and slam dunked that cheap, think glass into the baptistry.

Not only did it NOT shatter, but it bounced repeatedly with a deep (and very loud) sound and finally bounced its way to the bottom of the baptistry where it rolled until it finally settled in the deepest part of the baptistry!

The congregation was doubled over howling and laughing, and I was as well. They never forgot that message and neither have I!"
